# Corporate Governance Statement

## INTRODUCTION

Desane Group Holdings Limited (“Desane” and “the Company”) and the Board are committed to achieving and demonstrating high standards of corporate governance. The Board has established an appropriate corporate governance framework, including committees, policies, and charters, to demonstrate its support of and commitment to corporate governance. The framework is reviewed regularly and updated to ensure its relevance in accordance with developments in corporate governance and changes to affairs of the Company. A copy of the Company’s charters and policies are available on the governance page of Desane’s website, [desane.com.au](http://desane.com.au).

As a listed entity on the Australian Securities Exchange (“ASX”), Desane must comply with Australian laws including the Corporations Act 2001 (Cth) (Corporations Act) and the Australian Securities Exchange Listing Rules (ASX Listing Rules), and to report in line with the ASX Corporate Governance Council’s Principles and Recommendations (ASX Principles). In June 2014, the ASX Corporate Governance Council released a third edition of the ASX Principles, which Desane has chosen to adopt.

The Corporate Governance statement will cover the eight principle categories as per the ASX Corporate Governance Council third edition of the ASX Principles.

## PRINCIPLE 1: LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT

This principle, in summary, requires Desane to establish and disclose the respective roles and responsibilities of the Board, executives and management.

### Roles and Responsibilities of the Board and management

The Company has established a **Board Charter** which sets out the Board’s role and responsibilities, and those functions which the Board delegates to management. A copy of the Board Charter can be viewed via our Company website, [desane.com.au/about-us/corporate-governance](http://desane.com.au/about-us/corporate-governance).

The Board operates in accordance with its Board Charter and its responsibilities as stated in the Board Charter are:

- Review, approve and monitor the corporate strategies and objectives of the Company;
- Review, approve and monitor the business plan and financial budget of the Company;
- Establish Board committees to assist the Board in discharging its responsibilities;
- Monitor the operational and financial performance of the Company regularly;

- Review and approve all shareholder communications and other documents provided to the investment community and for public view;
- Review and approve the declaration and payment of dividends;
- Review and approve capital management strategies, including approval of all share issue offers such as share purchase plans and dividend reinvestment plans;
- Review risk management systems and policies;
- Appoint (and remove) the Managing Director and determine their remuneration, terms and conditions of employment as well as reviewing their performance;
- Review the performance of senior executives and the Board itself;
- Review and approve the remuneration of the senior executives and key personnel;

In addition to the above, the Board delegates to the Managing Director and senior executives, all matters involving the day-to-day affairs and operations of the Company.

The Company Secretary is accountable to the Board, through the Chairman, on all matters to do with the proper functioning of the Board. The Board has direct access to the Company Secretary at all times. The Company Secretary is responsible for:

- Advising the Board on corporate governance matters;
- Managing the company secretarial duties and responsibilities;
- Attending all Board and Board Committee meetings; and
- Taking minutes of meetings and communication with the ASX.

A performance review is undertaken annually in relation to the Board and the Board Committees. The Board has established a Remuneration Committee and a Nomination Committee to evaluate the performance of the Board, individual directors, senior executives and key personnel. The Remuneration Committee and the Nomination Committee convenes at least one meeting every 12 months. If required, the Board may convene additional meetings.

Details on Board and management performance evaluations will be contained in the Remuneration Report section of the Directors' Report in the Annual Report each year.

## **Diversity**

Desane and all its controlled entities are committed to workplace diversity. Desane recognises the benefits arising from Board and employee diversity in a competitive labour market, and being able to attract, retain and motivate employees from the widest possible pool of available talent.

Diversity includes, but is not limited to, gender, age, disability, ethnicity, marital or family status, religious or cultural background.

Desane, to the extent practicable, will address the recommendations and guidance provided by the ASX Corporate Governance Council.

The objectives and strategies of the Diversity Policy are for Desane to achieve the following:

- When recruiting for positions for the Board, senior executives, key personnel and all employment positions, the Board will recruit from a diverse pool of candidates;
- Review the succession plans, in accordance with the Board Charter and the Nomination Committee, to ensure consideration of diversity;
- A workplace environment that values the contributions of employees with diverse backgrounds, skills, qualifications and experiences;
- Establishing a flexible workplace environment that will assist both male and female employees who may have domestic responsibilities, meet those responsibilities;

As part of the Diversity Policy and the Company's Code of Conduct, Desane, its directors and all employees are obligated to not engage in any conduct or activity which is illegal or contrary to any anti-discrimination or equal employment opportunity legislation or laws in any State or Territory of Australia. Discrimination, harassment, vilification and victimisation will not be tolerated in the workplace.

In addition to the above, the Diversity Policy includes a requirement for the Board to establish measurable objectives for achieving gender diversity and for the Board to assess annually both the objectives and progress in achieving them. As of 30 June 2018, the measurable objectives have not yet been developed to a practicable level due to the size and composition of the Company and its Board. The Board, however, will conduct director appointments and employee appointment processes in a manner that promotes diversity as per the Diversity Policy and the Board will disclose measurable objectives, if any, set by the Board in the Annual Report each year.

As part of the process towards achieving gender diversity, the current representation of female employees is outlined below.

**Proportion of female employees in Desane as at 30 June 2018:**

	<b>Board</b>	<b>Senior Executive</b>	<b>Employees</b>
Female	0%	0%	25%
Male	100%	100%	75%

## PRINCIPLE 4: SAFEGUARD INTEGRITY IN FINANCIAL REPORTING

The Company recognises the critical importance of accurate and timely reporting of financial information, performance and management of risk.

Independent external auditors are appointed by shareholders and the Board takes steps to ensure that there are no actual or potential conflicts of interest in any additional work they are requested to do. In general, such additional work is confined to advice on taxation matters and providing accounting advice in the normal course of business.

To assist the Board in fulfilling its duties and governance obligations in this area, the Board has established an **Audit & Risk Committee** and an **Audit & Risk Committee Charter**. A copy of the Audit & Risk Committee Charter can be viewed via our Company website, [desane.com.au/about-us/corporate-governance](https://desane.com.au/about-us/corporate-governance). The Audit & Risk Committee comprises all the independent non-executive directors. The Company currently only has two independent non-executive directors. Once the Company grows to a size where it has additional board members it will increase the number of members on the Audit & Risk Committee to at least three.

The Chair of the Committee is required to be a different person to the Chair of the Company. The members of the Audit & Risk Committee are appropriately experienced and qualified. Details of the members of the Audit & Risk Committee and meetings held during the year are disclosed in the Annual Report. The Audit & Risk Committee meets at least two times per financial year.

The Audit & Risk Committee carries out its responsibilities in line with the Audit & Risk Committee Charter set out below:

### **Audit & Risk Committee Charter:**

The responsibilities of the Audit & Risk Committee include –

- Reviewing the financial reports;
- Monitoring compliance with internal management and financial control systems;
- Reviewing the scope of activities, performance and remuneration of the external auditors;
- Ensuring that any deficiencies identified are subject to prompt remedial action by management;
- Monitoring compliance with the Corporations Act, ASX Rules and related reporting requirements;

- Revision of and approach to internal audit procedures to provide transparency and accuracy.

### **Summary of procedures for the selection, appointment and rotation of external auditor:**

#### *Responsibility for Selection and Appointment*

The Audit & Risk Committee, reporting to the Board of Desane Group Holdings Limited, is responsible for the initial appointment of the independent external auditor and the appointment of a new independent external auditor when any vacancy arises. Any appointment made by the Board of Desane Group Holdings Limited must be approved by shareholders at the next occurring Annual General Meeting of the Company.

#### *Selection Criteria*

Any candidates eligible for the position of external auditor of Desane Group Holdings Limited must be able to demonstrate complete independence from Desane Group Holdings Limited and also an ability to maintain independence throughout the engagement period.

Desane Group Holdings Limited requires its external auditor to review, test and challenge its present accounting policies, processes and internal control systems to ensure that they meet all applicable Australian and International Accounting standards and practices. In addition, the external auditor is required to make recommendations to the Audit & Risk Committee, if necessary.

The Audit & Risk Committee will also ensure that key partners within the appointed audit firm are rotated every five successive financial years, in accordance with the Board's policy, Section 324DA of the Corporations Act, and the requirements of the Australian Securities and Investments Commission (ASIC) and ASX.

The appointed external auditor will always be available and present at the Company's Annual General Meeting to answer any questions shareholders may have in relation to the audited financial reports.

In respect of the current year, the Managing Director and Chief Financial Officer have provided the Board with a statement confirming that Desane's financial reports present a true and fair view of its financial position and are in accordance with the relevant accounting standards and the Corporations Act. They also acknowledge their role in the prevention and detection of fraud and error.

## **PRINCIPLE 5: MAKE TIMELY AND BALANCED DISCLOSURE**

The Company promotes timely and balanced disclosure of all material matters to ensure a fully informed market. The Company's systems ensure that all such matters are brought to the Board's attention promptly. Where there is legal restraint or where immediate disclosure would compromise the Company's interests, the directors may limit the extent of the disclosure. Where appropriate, the directors seek external advice to ensure that announcements do not omit any material information.

Desane must comply with the continuous disclosure requirements of the ASX Listing Rules and the requirements of the Corporations Act. The Listing Rules can be viewed on the ASX website [www.asx.com.au](http://www.asx.com.au).

The Board has established a **Disclosure Policy** with the objective of this policy being to ensure that all directors and employees of Desane are fully aware of their responsibilities to ensure the Company meets its obligations.

A copy of the Company's Disclosure Policy can be viewed via our Company website, [desane.com.au/about-us/corporate-governance](http://desane.com.au/about-us/corporate-governance).

In summary, and as per the Company Disclosure Policy:

- Listing Rule 3.1 - *immediate notice of material information* - requires Desane to inform the ASX immediately it becomes aware of any information that a reasonable person would expect to have a material effect on the Company's share price or value.
- Desane will be considered to be "aware of information" if a director or executive officer has, or ought reasonably to have, come into possession of information in the course of their duties as a director or executive officer of the Company.
- In addition if the ASX considers that there is or is likely to be a false market in Desane's shares, and asks Desane to give information to correct or prevent a false market, Desane must provide the information. (Please refer to ASX Listing Rule 3.1B).
- The ASX Listing Rules also require the Company to comply with periodic reporting requirements, such as Desane's half yearly and full year results, annual report and information regarding significant shareholder movements.
- The Company Secretary is responsible for administering this policy and ensuring Desane complies with its obligations. All employees and directors have a responsibility to report any price sensitive information to the Company Secretary immediately they become aware of it. If there is any doubt as to whether information is priced sensitive, the details should be discussed with the Company Secretary. The Company Secretary, together with the Managing Director, will determine if the information should be disclosed to the ASX and if necessary, the Chairman will be consulted.
- The Company may request a trading halt from the ASX to prevent trading in the Company's shares by an uninformed market. All releases to the ASX, except certain periodic reports, must be approved by the Board. However if this is impractical then the release will be referred to the Chairman for approval and the other directors advised.
- Once the ASX has confirmed receipt of the disclosure, the details of the release will be:
  - Circulated to all directors;
  - Emailed to all shareholders that have subscribed to this service via the Share Registry; and
  - Posted to Desane's website, [desane.com.au/investor-information](http://desane.com.au/investor-information).

All information released to the ASX is posted on the Company's website shortly thereafter. Any presentations to shareholders or at any General Meeting are also released to the ASX and available for viewing from the Company website.

## PRINCIPLE 6: RESPECT THE RIGHTS OF SHAREHOLDERS

The Board is committed to promoting investor confidence and recognises the important rights of shareholders. The Board strives to communicate with shareholders regularly and clearly – both by electronic means and using more traditional communication methods. Shareholders are encouraged to attend and participate at the General Meetings and in the election of directors.

The Board has adopted a **Communication Policy** to facilitate effective two-way communication with shareholders using the following methods:

- The external auditor attending the Annual General Meeting and being available to answer shareholder questions about the conduct of the audit and the preparation and content of the Auditor’s Report; and

A copy of the Company’s Communication Policy can be viewed via our Company website, [desane.com.au/about-us/corporate-governance](http://desane.com.au/about-us/corporate-governance).

Desane’s website contains easily located links and menus for shareholders to locate information about the Company, including the Company Constitution, financial information, investor information, ASX announcements and corporate governance information.

## PRINCIPLE 7: RECOGNISE AND MANAGE RISK

The Board, in consultation with senior executives, is responsible for identifying relevant risks and regularly reviewing the effectiveness of the Company’s risk management process for the identification, monitoring and mitigation of risk.

The Board conducts an internal review of its accounting systems and processes annually.

This review, coupled with the comprehensive nature of the monthly reporting systems, assists in the risk minimisation process.

The Company, within the Audit & Risk Committee, has formulated a formal **Risk Management Policy**. The Risk Management Policy formalises the current culture and processes of the Company, which is focused on the identification and management of risk through regular board reporting and exception reporting in between. A copy of the Company's Risk Management Policy can be viewed via our Company's website, [desane.com.au/about-us/corporate-governance](https://desane.com.au/about-us/corporate-governance).

The Company has established an Audit & Risk Committee which is responsible for considering the effectiveness of the system of risk management and internal controls, financial reporting and other matters at the request of the Board. The Committee comprises at least three members, at least two of which are independent directors. The Chairman of the Audit & Risk Committee will be an independent director. A copy of the Company's Audit & Risk Charter can be viewed via our Company's website, [desane.com.au/about-us/corporate-governance](https://desane.com.au/about-us/corporate-governance).

There are a number of material business risks that could adversely affect the Company and the achievements of the Company's financial performance objectives. The Company manages its exposure to economic, environmental and social sustainability risk through the Audit & Risk Committee that considers these issues and whether they pose any material risks to the Company from time to time.

## PRINCIPLE 8: REMUNERATE FAIRLY AND RESPONSIBLY

This principle requires Desane to ensure that the level and composition of remuneration is sufficient and reasonable and that its relationship to performance for the Company is transparent.

The Board has established a **Remuneration Committee** to assist the Board in performing its duties in remunerating fairly and responsibly. The Remuneration Committee has adopted a **Remuneration Committee Charter** which contains the functions and responsibilities of the Remuneration Committee. The members of the Remuneration Committee are:

- John Bartholomew

Senior executive remuneration and other terms of employment are reviewed annually, having regard to performance goals set at the start of the year, relevant comparative information, independent advice and industry market comparison reports. The Company will disclose, at the end of each reporting period, the number of times that the Remuneration Committee met throughout that period.

Senior executives and key personnel are remunerated on the basis of packages which comprise a base salary, superannuation and fringe benefits. At present, there are no bonuses or incentive schemes in place. Salary sacrifice provisions apply within the limits allowed by taxation law. Overall packages are set at levels that are intended to retain and attract senior executives and key personnel who are capable of managing the consolidated entity's operations. Details are disclosed in the Remuneration Report contained in the Directors' Report of the Annual Report.

The Company does not operate its own superannuation fund and contributions are made to complying funds on the instructions of directors and employees and in compliance with the relevant legislation.

Fees for non-executive directors are determined each year by the Board. Details are disclosed in full in the remuneration report contained in the Directors' Report of the Annual Report.
